

OUR PRODUCTS AND SERVICES

- Regulators: Process, Natural Gas and Tank Blanketing
- Control Valves: Globe, Ball, and Butterfly
- Steam Conditioning Valves, Desuperheaters
- Actuators and Accessories
- FIELDVUE Smart Positioners & Transducers
- Pneumatic, Electric, and Electrohydraulic Positioners
- High-Performance Butterfly Valves
- Level Transmitters

Baumann™ Control Valves

- General Service and Sanitary Control Valves
- Sanitary Regulators
- Low Flow Control

DELTA V

- DeltaV Digital Automation System
- PROVOX & RS3 Distributed Control Systems
- Flow Computers and RTU's
- Asset Management Solutions
- Foundation Fieldbus Solutions
- CSI Machinery Health Monitoring
- Industry Application Solutions

Emerson Industrial Automation

- 2, 3, 4-Way Solenoid Valves
- Pressure and Temperature Switches
- Automated Piston Valves

- Ball, Knife Gate, and Check Valves
- Quarter Turn Actuators

- ProLinx
- RadioLinx

Cornerstone Controls™

Engineering Services

- Automation Consulting
- Project Management
- Project & Validation Services
- DeltaV and Provox DCS Services
- PLC and SCADA Systems
- MES & Plant Historian Implementation
- Systems Architecture Analysis & Design

Support Services – Automation Life Cycle Support

- Proactive Support Agreements
- On-site Engineering
- System Upgrades
- Backup & Recovery
- Patch Management
- System Health Checks
- Cyber Security Services

Reliability Management Services

- Protection & Predictions Systems
- Route
- Machinery Health Engineering
- Wireless Vibration Monitoring
- Lubrication

- Digital Bioreactor Control Systems & Sensors

- AS-I, Foundation Fieldbus & DeviceNet Bus Interfaces
- Power Supplies, Repeaters & Communication Modules
- Quarter Turn Valve Communication and Monitoring (Eclipse, Axiom, Quartz and Hawkeye)

- Intrinsic Safety Barriers
- Remote I/O & Fieldbus Solutions
- Signal Conditioners, Power Supplies, Multiplexers
- Level Measurement
- Bebco EPS Purge Solutions
