Valve Automation - Valves

Fisher Posi-Seal — Wafer and Lug Type High Performance Butterfly Valves for isolation or control. Available in soft or metal seats. High temperature and Cryogenic options available.

Argus — Severe Service metal and soft seated Ball Valves; Class VI Shutoff; Zero Leakage

Copeland — Severe Service Metal Seated Ball Valves, Power Valves for High Pressure Turbine Vents and Drains.

Crane — Duo Chek High Performance Non Slam Dual Plate Wafer Check Valve; Flowseal High Performance soft and metal seated Butterfly Valves; Centerline Resilient Seated Butterfly Valves.

DSI — Gate, Globe and Check Valves

Everest — Specialty Butterfly Valves.

Kace — Full Line of soft and metal seated Ball Valves; Floating and API 6D Trunnion Type.

Orbe — Specialty Knife Gate Valves for Pulp and Paper, Slurries and Wastewater Applications.

PBV — Trunnion and Floating Type Ball Valves for Oilfield Production, Pipeline and Industrial Service.

SCV — Gate, Globe, Swing Check; Bolted Bonnet and Pressure Seal Bonnet; Floating Ball and Trunnion; Thru Conduit Gate, Slab Gate and Expanding Gate; API and ANSI; Rising Stem Ball Valve

Taylor — Choke Valves, Rotary Type Multi-Orifice, Carbide and Ceramic Trim Options Available.

Trueline — Specialty Knife Gate Valves; High Temperature Ball Valves with soft and metal seats.

Tyco — Fully Lined Ball Valves; Fully Lined Lug and Wafer Type Butterfly Valves. Vanessa Triple Offset Butterfly Valves, Keystone Valves and Controls; KTM Ball Valves; Hindle Ball Valves.

Other Valves — Kitz, WKM, Xomox Plug, Watts, Velan Ball Valves

Valve Automation – Actuation

Bettis — Scotch Yoke and Rack&Pinion Actuators and Controls.

Hytork — Rack&Pinion Actuators and Controls.

El-O-Matic — Rack&Pinion Actuators and Controls.

EIM — Electric Multi-Turn and Quarter Turn Actuators and Controls.

FieldQ — Intelligent Pneumatic Rack& Pinion Actuators with Integral Control Modules.

Kinetrol — Pneumatic Vane Actuators and Controls.

Accudrive — Damper Drives; Combustion Air Distribution and Control.

ATI — Pneumatic Linear Actuators.

Topworx — Limit Switches; Position Monitoring Devices; Position Beacons

Westlock — Limit Switches; Position Monitoring Devices; Position Beacons
